

# ASTRI 2.0

## Program Structure

ASTRI Management (Director, Chief Technologist, Operations, Support)

### Component Technology Advancement

PROGRAM 1  
Thermal Capture (Collector + Receiver)

PROGRAM 2  
Thermal Storage and Heat Transfer

PROGRAM 5  
Advanced Materials Cycling and Durability

PROGRAM 3  
Power Systems (Power Block)

PROGRAM 4  
Process Heat (fuels/chemicals)

### System Integration / Value Proposition

PROGRAM 6  
Integration Test Facility, Proof of Concept (activities)

PROGRAM 7  
Integrated System Model (functional and economic)

Communications and Industry Engagement (+“Institute” functions)
